CONGRATULATIONS Dr. Susan Cochrane

We are so proud to announce that Dr. Susan Cochrane, Head of the Neurology department at the VEC, has been awarded the **Golden Life Membership Award** by the Ontario Veterinary Medical Association.

This prestigious award was presented to Dr. Cochrane at the onset of the 2016 OVMA conference held this past January, and it recognizes her more than 30 years strong career in – and dedication to - veterinary medicine.

"Dr. Cochrane is described by her nominators as an extraordinary veterinarian who is dedicated to her patients and clients, as well as veterinarians who refer her cases to her. [She] goes above and beyond to be available for her patients...and is patient and empathetic in the care that she provides." *(OVMA Conference, Final Program)*

A benefit of this award is that the recipient receives an honorary lifetime OVMA membership, which is fantastic because we plan on never letting this amazing veterinarian, and person, retire!
